Description

This 2023 Hyundai Tucson T-GDi N Line is a well-maintained example of this popular SUV, having had only one owner from new. It features a 1.6-litre petrol plug-in hybrid engine paired with a four-wheel drive system, ensuring it meets Euro 6 emission standards. The vehicle has covered 34,900 miles, which is low for its age, and comes with a full dealership service history, with the most recent service completed on 12 May 2026 at 32,942 miles. For peace of mind, the vehicle has a clear history check and an MOT that is valid until February 2027., This model offers a practical and well-equipped driving experience, highlighted by its large boot space which provides ample room for luggage and daily essentials. The N Line trim includes several convenient features, such as a smart key system with keyless entry and an engine start-stop button, alongside automatic headlights with a dusk sensor
