Description

This 2020 Mercedes-Benz GLE300d AMG Line Premium Plus is a well-maintained vehicle that has been kept by only one owner from new. It comes with a full dealership service history, having most recently been serviced on 12 February 2026 at 64,000 miles. Powered by a 2.0-litre diesel engine, this model features a four-wheel drive system and meets Euro 6 emission standards., , The vehicle is equipped with the comprehensive Premium Plus package, which includes an opening panoramic sunroof, a branded sound system, and LED headlights. Practicality is enhanced by keyless entry, memory seats, and wireless phone charging, while the two-zone automatic climate control ensures comfort for all passengers. Manoeuvring is made straightforward with the parking package, which provides front and rear sensors alongside a 360-degree camera system. Safety is further supported by blind spot assist, and connectivity is managed through a dual Bluetooth interface with two USB Type-C ports. With
